New!

MI VarnishTM

with RECALDENTTM (CPP-ACP)

Bioavailable calcium, phosphate and fluoride for an enhanced varnish treatment.

FRESH Product • **FRESH** Technology • **FRESH** Delivery • **FRESH** Taste

THE ONLY FLUORIDE VARNISH CONTAINING RECALDENTTM (CPP-ACP)

- Penetrates and binds to tooth structure to help protect and strengthen
- Superior early (three hour) fluoride release
- Superior one day fluoride release
- Provides high levels of calcium and phosphate for longer lasting and complete protection that NO other varnish can provide

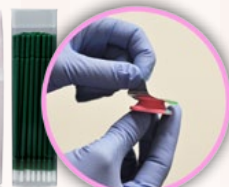

PATIENTS will LOVE MI Varnish

- FRESH mild strawberry flavor
- CLEAR color after application
- SMOOTH not gummy "feel" to the tongue after application
- SUPERIOR fluoride, calcium and phosphate protection

YOUR Dentist will LOVE MI Varnish

- Ideal FLOW makes it easy to get full coverage
- NO clumping upon placement
- EASY to use brush tips for consistent placement
- EASY to handle unique unit dose packaging
- Long term RETENTION
